WEI CONSULTING

(Preliminary Ideas)

Environmental/Information Resource

Looking Up Facts/Organizations For People Seeking Information and/or guidance
Possibility of setting up/selling separate environmental database

Environmental Corporate Package

Putting together package of tours of Bay Area Restoration sites, Restoration Book and/or Ecolog catalog for corporations to offer their customers or employees

Other "Whole Earth" Ideas

Consulting in "How To Publish"
"How To Type Set"
Meeting Stewart Brand...Ken Kesey... (Maybe Best as Fundraiser)

WE as Liaison for Venture Capital V.S. Entrepreneur

We serve as middle men -- write business plan...
Maybe do conferences like The Business Of The Environment to start ball rolling

Questions:

Fee Structure?

Individuals - who pays for what
Services - What charge

Who's in charge? Which Projects?

What budget?

Who to involve?
